

# The Quest Of The Three Kings

T. Tertius Noble

From sil-ver gates of Ec-ba-toun, O cam-el bells a-cross the sand! King Gas-par rides in

gold-en crown To seek his King in Jud-ah land; With o-rient pearls and gem wrought rings His

slaves are la-den with the store; He rides a-pace; the King of kings Shall have his hom-age

ev-er-more. O fi-li-i et fi-li-ae, Sing "Chris-te Rex sanc-tis-si-me!"
