

Shades of Silent Night

Chas. H. Sunderland

Shades of si-lent night di - vid-ing, Bursts the glo-ry from a - bove,

Down the stream of bright-ness glid-ing, Comes the mes-sen - ger of love.

To the shep-herds low-ly tel-ling Of the Christ ex - pect-ed long.

While the sud-den an-them swel-ling Fills the glow-ing heav'n with song.

Fills the glow-ing heav'n with song.
