

Under The Stars, One Holy Night

Driscoll / Brown

♩=75

Un-der the stars, one ho-ly night, A lit-tle Babe was born;

O-ver His head a star shone bright And glis-tened till the morn.

And wise men came from far a - way, And shep-herds has-tened

where He lay, Up-on His low-ly bed of hay, Un-der the stars one

night.
