

We've Decked The Church With Ivy

Rev. J. S. B. Hodges

We've decked the Church with I-vy, And hol-ly branch-es gay, We've

wreathed the shin-ing lau-rel 'Round font and pil-lars grey; And

now we come right glad-ly To join the an-gel strain, Of

peace on earth, and glo-ry To God a - gain. A mer-ry, mer-ry

Christ-mas, The Church bells ring, A joy-ful, joy-ful Christ-mas, We

child-ren sing For Christ was born at Christ-mas, Our Sav-iour King.
