

Christmas Bells

Adam Geibel

Oh, Christ-mas bells, your sweet-est strain Ring out to-day o'er hill and plain, In

glad re-mem-brance of the birth Of Him who came to dwell on earth.

Our joy pro-claim. Peal forth! ex-ult-ing in the name Of Je-sus, o'er whom an-gels

sang Till Ju-dah's moun-tain echo-es rang.
