

# The First Christmas Night

W. H. Sangster, Mus. Doc

I should like to have heard the An - gels sing, On that

first great Christ - mas morn, To have knelt and lis - tened to

mu - sic so sweet, O'er the Babe in Beth - le - hem born. But

I may sing of that Babe to - day, Oh, so ten - der, so kind, so

fair, And the An - gels still glad - den our Christ - mas morn, And

sing in our mid - night air.
