

Him I Have So Long Desired

Mr. C. J. Viner

♩=120

Him I have so long de-sir-ed, Je-sus' self at length I hold,

Him I clasp my soul re-quir-ed, and in close em-brace en-fold;

Be ye glad, my soul and spir-it, lift ye up your voice and sing,

And with praise that fits Him mer-it, greet the com-ing of the King.
