

Shades Of Silent Night

Chas. H. Sunderland

Not too fast. (♩=110)

Shades of si-lent night di-vid-ing, Bursts the glo-ry from a - bove,

Down the stream of bright-ness glid - ing, Comes the mes - sen-

- ger of love. To the shep-herds low-ly tel-ling Of the Christ ex-

- pect-ed long. While the sud-den an-them swel-ling Fills the glow-ing

heav'n with song.
