

Sing We Now Of Joy and Gladness

W. Gilbert

Sing we now of joy and glad-ness, Christ our King come down to earth,

Frees man-kind from pain and sad-ness, Hail th' In-car-nate Sa-viour's birth.

List, an-gel-ic strains are stream-ing Through the O-rient skies,

Look, ce-les-tial light is beam-ing On the won-d'ring shep-herds' eyes.
